###

Pasting others here:

--When it comes to technology, what best describes you?

I am skeptical of new technologies and use them only when I have to

I am usually one of the last people I know to use new technologies

I usually use new technologies when most people I know do

I like new technologies and use them before most people I know

I love new technologies and am among the first to experiment with and use them

--How do you feel about this statement: "My organization is making the best use of technology."

Strongly agree

Agree to some extent

Neither agree nor disagree

Disagree to some extent

Strongly disagree

Don't know
